Entries may NOT contain the name of the author(s) or the organization for which the piece was produced. .MOV files are preferred, though other formats will be accepted if they will play as standalone files. If a format other than .mov is used, and the entry will not play in a standard viewing program such as Quicktime, the piece will not be judged. Use formats other than .mov at your own risk. URL links will not be accepted. While the visual elements of a Video entry must primarily be created by the BPPA member entering the project in the contest, please list on the entry form everyone who deserves credit for the entry.

Statement of permissions upon entry: I declare that I am authorized by the holder of the copyright (or the right to copyright) to submit photographs/video to the BPPA Annual photo contest. I grant permission to BPPA to use my submitted photographs/videos in exhibitions, in publications, and in promotions of the competition itself, and for educational, research, and historical record purposes concerning BPPA. Winning photographs, published tearsheets, editing displays, multimedia productions, and other images selected for historic significance become part of the permanent BPPA archive. By entering, I declare the photographs/video were taken during the calendar year of 2011.
